

Joint Stock Company "Grodno Azot" Branch "Khimvolokno Plant"

DECLARATION of Conformity of polyamide 6 and polymer composite materials to requirements of Regulation (EU) No. 1272/2008 of the European Parliament and of the Council of 16 December 2008 "On classification, labelling and packaging of substances and mixtures"

Branch "Khimvolokno Plant" of Joint Stock Company "Grodno Azot" (hereafter Branch "Khimvolokno Plant"), based on provisions of Regulation (EU) No. 1272/2008 of the European Parliament and of the Council of 16 December 2008 "On classification, labelling and packaging of substances and mixtures", declares that polycyclic aromatic hydrocarbons (hereafter PAHs) are not intentionally used or added at the polyamide 6 and polymer composite materials production.

Despite the fact that PAHs are not intentionally added, this does not exclude the presence of their traces due to the presence of impurities in the components supplied by third parties.

This information has validity only at the time, when polyamide 6 or polymer composite material leaves manufacturing entity and does not refer to any additives, dyes, etc., added by a processor afterwards or at any stage of processing performed by a third party.

This declaration was drawn up and issued on the basis of the currently applicable laws and legal acts, as well as the information and expert knowledge available to Branch "Khimvolokno Plant".

All the data provided by Branch "Khimvolokno Plant" concerning polyamide 6 and polymer composite materials are considered to be reliable, however Branch "Khimvolokno Plant" does not bear responsibility for further processing of polyamide 6 and polymer composite materials as well as establishment of end product's conformity to national and international regulations with regard to its application.

It is the sole responsibility of the Customer to ensure that the finished product is suitable for its intended use.
